

# HEALEY NEWS SOUTH-WESTERN

**Volume 3 Issue 4, 30 April 2012**

Hello everyone,

More of a 'newsflash' this month rather than a full newsletter, but I felt it was worthwhile sending something out by way of a reminder of those events coming up shortly and to let you all know of others that we have been notified of and will try and participate in.

The immediate event, only a few days away now, is the first 'BAT' of the season – do come and join us and other local classic car (and vintage bike) owners on the lovely setting of Twynning Village Green this Sunday. The weather forecast looks quite promising and I've just been to see the new landlord to make sure the bacon rolls and coffee are all ready for you! I am also pleased to tell you that I am hopeful that one of the 'Friends of RetroMarques' is going to try and come along with the brand-new Tesla 'electric' supercar!

Details below. See you on the Green on Sunday!

Mark Knight, eNewsletter Editor, South West Centre.
