

# HEALEY NEWS SOUTH-WESTERN

## Volume 5 Issue 5, Christmas 2014

### Hello Healey'ers!

Well, I've been trying to write for a while now and suddenly it is Christmas Eve and 2015 is almost upon us – where has 2014 gone..?!

Our post-AGM meetings have focussed on the 2015 calendar of events and I shall include a draft event planner so as you can get some of the dates in your diary. As you should have read in Revcounter, next year's National Weekend is once again in our area and Club members are being urged to support this event in the lovely Cotswolds, so do watch out for news updates and please book early – the planning team will wish to know of numbers as early as possible. Given some members no doubt live close by, it should also be possible to join in the events without staying over, so please do add your support. There will be more news in future HNSW of SW'ern's involvement in organising one of the events.

So far as we know, there is no Alternative Boxing Day run this year but the Cotswold Classic Car Club will be having an 'all welcome' gathering at their clubhouse next to the Frogmill in Andoversford on New Year's Day so blow away the cobwebs (and hangover!) with a blast out there in the Healey!

Our next event – and most likely still during the winter 'off season' – will be a visit and meal at the Jet Age Museum at Staverton Airport. It should be an interesting evening and we will have guides taking small groups around the exhibits before finishing with a supper. More news on this in the next few weeks.

Looking ahead to April, you will by now be familiar with the FBHVC's National 'Drive-it-Day' (DiD) (26<sup>th</sup> April) and we are looking for an appropriate plan for this day. If you have an idea of an event or location for this important celebration of our motoring heritage then let the Committee know please.

The AutoSOLO results table shown below is a good reminder that we have our own driving event and with increasing frustration with our roads and the standard of driving, what better way to have a fun day out driving your Healey and for very little expense? Take a look at this event for 2015 and talk to Mes Edwards if you think this may be of interest – it's great fun!

Best wishes to you all from Rob and all of the Committee members, we look forward to seeing more of you out at events during 2015.

*Mark*
