## **Fly2help Charity Support Request**

We're hosting the Airbus Flying Challenge, Flying Lesson Day, on Wednesday 27<sup>th</sup> June at Gloucestershire Airport. We'll have 20 students – all have completed the Airbus Flying Challenge programme over the course of the year. We took all 20 on Aim High weeks back in Feb/March and are organising their flying lessons for a couple of weeks' time – this day is a 'reward' for their achievements on the programme.

The day will run very much like an Air Smiles Day – the students are also from a very deprived area in Bristol and it would be great if we could rally together several cars to support the event!

It will be all day but it would be great to allow students to sit in the cars, talk to the drivers and go for a short ride. Lunch, refreshments and Chocolate Guinness cake would be provided!

I'd like to aim for 4 cars please guys, who can support us on this big ASD? Mark: [Info@ahc-southwestern.co.uk](mailto:Info@ahc-southwestern.co.uk)
